Agents vie for honours

SOUTH Brisbane's Bees Nees City Realty, CENTURY 21 Westside and Sissons Real Estate at Red Hill have been named finalists for the REIQ Agent of the Year award.

Finalists were announced in 11 categories, with the winners to be named at a gala function at the Brisbane Hilton on February 29. Shannon Harvey of Place at

Bulimba and Loretta Douris of Place at Ascot will vie for the Salesperson of the Year award.

REIQ's Dan Molloy said the awards were not about property sales.

"The award criterion relates to commitment to quality customer service, significant achievements, how success has been achieved and any innovative

methods used to realise personal and business objectives."

Winners will progress to the national awards in Melbourne in April.

"The quality of the award nominations is heartening and we are anticipating that Queensland will be very well represented in the national awards in April as a result," Mr Molloy said.
