

Thank You to:

Bees Nees Realty

When MMRI needed blood donations, Bees Nees City Realty were happy to help.

David Veerman and the team at Bees Nees, dressed up as blood sucking realtors during the MMRI blood donor drive.

MMRI would like to thank David Veerman and the team at Bees Nees City Realty for their support and commitment to medical research.

Zig Zag Foundation

In late 2008, MMRI received a \$20,000 grant from Brisbane based organisation, Zig Zag Foundation.

This generous funding will assist the MMRI's Dendritic Cell Program with their work titled: *Does deletion of a gene called AHCY11 provide a potential genetic model to study Dendritic Cell mediated immunosuppression?*

The Zig Zag Foundation, established in 2007, raises funds to assist charities and organisations which support and assist sick and underprivileged children.

MMRI's Dr Georgina Clark with representative from Zig Zag Foundation sponsor, BMW.

Give a gift to the MMRI, and make a financial investment in the future of your health

Your gift will fund research to help fight cancer and other diseases in men, women and children. Donations of \$2 and over are tax deductible. We will post the receipt to you.

Please accept my gift to the Mater Medical Research Institute
